

UNCLAIMED CAPITAL CREDITS

For more than 75 years, thousands of people have been part of the Red River Communications cooperative. Sometimes former members move or change addresses and we cannot find them.

The following names belong to inactive members whose capital credit checks were either returned or have not been cashed. If you recognize a name, please let that person know they can contact Red River Communications at 701-553-8309 or support@redrivercomm.com to claim their check.

To find out more about capital credits and view the current list of unclaimed recipients, visit [**redrivercomm.com/capital-credits**](http://redrivercomm.com/capital-credits).
